FAQ

Run a whole project from a single desktop, even sitting with a client whilst doing it, and use NUKE STUDIO's powerful collaborative controls to share work with a wider team and manage this from a central integrated location.. PDF Files are the de-facto standard when it comes to sharing documents online Since, the format and layout isn't changed as well as any additions or removal isn't easy.. MacOS 10 12 or later Language: English Size: 828 MBNUKE STUDIO is a powerful node-based VFX, editorial and finishing studio designed to empower creative individuals working independently as well as collaborative teams working on quick-turnaround projects in a way that's previously never been possible.

A unique and seamless combination of effects and timeline, with NUKE STUDIO, users can conform, edit, color-correct, add effects and playback at 4K.
